Notes:

[1]: \* = Duration of occurrence > 1 hr (date and/or time may not be actual start time of offense)  
 UCR = Uniform Crime Reporting standardized crime description (used by FBI and most Police departments)  
 Part 1: Incidents with a '1' in this column are more serious crimes, frequently mentioned separately in Police crime reports  
 Gang Activity = 'Y' if the incident was gang-related  
 Note that columns C (Occurrence End) and K (Premises) are hidden in order to fit sheet on page (landscape) for printing.
